

Hear what our clients say about us...

"I am delighted with Cycle-to-work scheme that we have in place with Cycle Solutions – not only is this a great employee benefit, it is a great way for our people to access a new bike and improve their health and fitness. There is always a great range of bicycles and equipment on offer; and it is great to see the number of people making use of this scheme increase each year, and we now have repeat orders!"

"Very good to work with, our Account Manager, Ceri Griffin, is always on hand to promptly answer any queries"

Bwrdd Iechyd Prifysgol
Aneurin Bevan
University Health Board

"We have recently completed our seventh scheme and have had hundreds of staff take part all of whom were impressed with the service and savings to be made. Cycle Solutions has always been professional, accommodating and helpful in the extreme in delivering savings to both employees and us as an employer."

"UHS have been with Cycle Solutions for a number of years and over this time the scheme has been very popular with staff, only growing in uptake due to the Covid-19 restrictions. and the increase in popularity of cycling during this. We rarely encounter any issues but when we do, these are always quickly resolved via our account manager, Ceri, and the team."

Looking to set up a benefits framework? We work with the major framework partners..
